Each October, the Catholic Church in the United States celebrates Respect Life Month, a special time to reflect upon the dignity and sacredness of every human life.

Our Catholic faith teaches us that every human person is created in the image and likeness of God and therefore possesses an immeasurable dignity that can never be taken away. This dignity does not depend upon our age, health, abilities, independence, accomplishments, or circumstances. Every human life is precious because every human person is loved by God.

Throughout October, our bulletin will feature a weekly **“Did You Know?”** article exploring several important life issues and explaining what the Catholic Church actually teaches about them—and why. We will consider the dignity of the unborn child, the Church’s teaching on contraception and responsible parenthood, IVF and infertility, care for those approaching the end of life, and the death penalty.

Some of these teachings are well known; others are frequently misunderstood. All of them, however, flow from the same fundamental conviction: human life is a gift from God, and every human person deserves to be treated with the dignity and love that belong to someone created in His image.

As we observe Respect Life Month, may we deepen not only our understanding of the Church’s teaching, but also our commitment to building a culture in which every human life is welcomed, protected, accompanied, and loved.

Week 1: **Did you Know? Why Does the Church Oppose Abortion?**

The Catholic Church teaches that every human life is sacred from the moment of conception until natural death. This is not simply a political position. It comes from what we believe about the human person: every human being is created in the image and likeness of God and possesses a dignity that no one can take away.

From the moment of conception, a new human life has begun. The unborn child may be tiny, dependent, and hidden from our sight, but his or her dignity is no less than that of a newborn baby, a teenager, or an adult. Our value does not depend upon our size, stage of development, abilities, independence, or whether someone else wants us.

For this reason, the Church has consistently taught that abortion—the intentional taking of the life of an unborn child—is gravely wrong. As the Catechism teaches:

“Human life must be respected and protected absolutely from the moment of conception” (CCC 2270).

At the same time, the Church’s response to abortion must never end with condemnation.

Women facing difficult pregnancies deserve our love and practical support, and those who have been involved in abortion should know that God’s mercy is greater than any sin. The Church desires healing and reconciliation for every mother, father, and family wounded by abortion.

To be pro-life means both to defend the child and to love the mother. Every life is precious.

Every person deserves our love.

Cada octubre, la Iglesia Católica en los Estados Unidos celebra el Mes del Respeto a la Vida, un tiempo especial para reflexionar sobre la dignidad y el carácter sagrado de toda vida humana.

Nuestra fe católica nos enseña que toda persona humana ha sido creada a imagen y semejanza de Dios y, por lo tanto, posee una dignidad inmensa que nadie le puede quitar. Esta dignidad no depende de nuestra edad, salud, capacidades, independencia, logros o circunstancias. Toda vida humana es preciosa porque toda persona es amada por Dios.

A lo largo de octubre, nuestro boletín presentará cada semana un artículo titulado “¿Sabías que...?”, en el que exploraremos varios temas importantes relacionados con la vida y explicaremos lo que la Iglesia Católica realmente enseña sobre ellos y por qué. Consideraremos la dignidad del niño por nacer, la enseñanza de la Iglesia sobre la anticoncepción y la paternidad responsable, la fecundación in vitro y la infertilidad, el cuidado de quienes se acercan al final de la vida y la pena de muerte.

Algunas de estas enseñanzas son bien conocidas; otras con frecuencia son malentendidas. Sin embargo, todas brotan de una misma convicción fundamental: la vida humana es un don de Dios, y toda persona merece ser tratada con la dignidad y el amor que corresponden a quien ha sido creado a imagen de Dios.

Al celebrar el Mes del Respeto a la Vida, pidamos crecer no solo en nuestra comprensión de las enseñanzas de la Iglesia, sino también en nuestro compromiso de construir una cultura en la que toda vida humana sea acogida, protegida, acompañada y amada.

Semana 1 — ¿SABÍAS QUE...? ¿Por qué se opone la Iglesia al aborto?

La Iglesia Católica enseña que toda vida humana es sagrada desde el momento de la concepción hasta la muerte natural. Esta no es simplemente una postura política. Nace de lo que creemos acerca de la persona humana: todo ser humano ha sido creado a imagen y semejanza de Dios y posee una dignidad que nadie le puede quitar. Desde el momento de la concepción comienza una nueva vida humana. El niño por nacer puede ser muy pequeño, dependiente y estar oculto a nuestra vista, pero su dignidad no es menor que la de un recién nacido, un adolescente o un adulto. Nuestro valor no depende de nuestro tamaño, etapa de desarrollo, capacidades, independencia ni de que otra persona nos quiera o no.

Por esta razón, la Iglesia siempre ha enseñado que el aborto —quitar intencionalmente la vida de un niño por nacer— es gravemente inmoral. Como enseña el Catecismo: “La vida humana debe ser respetada y protegida de manera absoluta desde el momento de la concepción” (CIC 2270).

Al mismo tiempo, la respuesta de la Iglesia ante el aborto nunca debe limitarse a la condena. Las mujeres que enfrentan embarazos difíciles merecen nuestro amor y apoyo concreto, y quienes han participado en un aborto deben saber que la misericordia de Dios es más grande que cualquier pecado. La Iglesia desea la sanación y la reconciliación de toda madre, padre y familia heridos por el aborto.

Ser provida significa tanto defender al niño como amar y apoyar a la madre. Toda vida es preciosa. Toda persona merece nuestro amor.

Para profundizar: Catecismo de la Iglesia Católica, 2270–2275.

**Oración a

— ORACIÓN —

St. Michael the Archangel, defend us in battle.
 Be our protection against the wickedness and
 snares of the Devil.

May God rebuke him, we humbly pray,
 and do thou, O Prince of the heavenly host,
 by the power of God, cast into hell Satan and all the
 evil spirits, who prowl about the world
 seeking the ruin of souls.
 Amen.

San Miguel Arcángel, defiéndenos en la lucha.

Sé nuestro amparo contra la perversidad y
 acechanzas del demonio.
 Que Dios manifieste sobre él su poder,
 es nuestra humilde súplica.
 Y tú, oh Príncipe de la Milicia Celestial,
 con el poder que Dios te ha conferido,
 arroja al infierno a Satanás, y a los demás espíritus
 malignos que vagan por el mundo
 para la perdición de las almas.
 Amén.

Nationwide Invitation to Prayer

The USCCB Committee on Pro-Life Activities is inviting Catholics to join a focused effort of prayer and action to stop the spread of abortion pills by invoking the intercession of St. Joseph, Defender of Life. Join us in prayer from now until the end of October!

Dearest St. Joseph, at the word of an angel, you lovingly took Mary into your home. As God's humble servant, you guided the Holy Family on the road to Bethlehem, welcomed Jesus as your own son in the shelter of a manger, and fled far from your homeland for the safety of both Mother and Child.

We praise God that as their faithful protector, you never hesitated to sacrifice for those entrusted to you.

May your example inspire us also to welcome, cherish and safeguard God's most precious gift of life.

*Help us to faithfully commit ourselves to the service and defense of human life —especially where it is vulnerable or threatened. Obtain for us the grace to do the will of God in all things.
Amen.*

Prayer List

*Names will remain on the prayer list for six months.
If your loved one still needs prayers, please call the office to add them.

*Los nombres se mantendrán en la lista de los enfermos por seis meses. Si su ser querido necesita oración, por favor llame a la oficina para agregarlo.
